The Call Comes In...

Our members are a cross section of our community. They are men and women, high school seniors, college students, young parents and senior citizens. 911 calls are sent to the fire department and EMS via a pager system. Members respond to either the ambulance stationed on Harbor Hill Road or the firehouse on Mineola Avenue.

In addition to responding to emergencies in our community, we are called to assist neighboring communities during their emergencies and are also called upon to stand-by during large community events. You may see us at high school football games, parades, dog shows, all over town!

WHEN SECONDS COUNT COUNT ON US!

Since 1991, the Emergency Medical
Service of the Roslyn Fire Companies
has responded to 911 emergency calls
from residents, schools and businesses
within Roslyn and nearby villages.
We cover one of the largest EMS areas in
Nassau County. We render pre-hospital
care for a broad range of emergencies.
In times of crisis, when times are at
their worst, you call and we respond.
We are there for you, neighbors helping
neighbors.

Last year, your neighbors and friends in **Roslyn EMS** responded to over 1000 calls for help!

In addition to responding to individual medical emergencies, the REMS trains to respond to a variety of emergencies including mass casualty incidents and natural disasters. Our members participate in drills with our neighboring departments to prepare for all types of 911 scenarios.

EMS IS CARING In Action

We invite you to join the Emergency Medical Services organization that puts caring into action! Our community needs you!

What you need to join:

- Minimum age of 17
- U.S. Citizen
- A desire to serve our community
- Pass a background investigation
- Commitment

The Rewards of Membership

- Training underwritten
- Invaluable life experience
- Gratitude of helping your neighbors when they need you most
- · Opportunity to make a difference
- Saving a life

Training Opportunities

You do not need any prior experience, just the desire to learn and a commitment to excel. We gladly welcome volunteers with previous EMT or other medical training. Courses are offered during the day and/or in the evening and are conveniently flexible.

The department is supportive of additional training above and beyond the basic EMT course-work because our community, our members and our agency benefit.
